## Dress Regulations

The Management Committee expects that Members and visitors wishing to use the golf course and facilities of the Club dress appropriately. It is the responsibility of the individual Member, Social Club and Golf Day organizers that their guests are dressed in accordance with the current rules.

The Club Staff are there to assist but are authorised to refuse access and service to any person whose dress does not meet these standards.

All persons must be neatly groomed and attired in clean clothing and footwear.

### Men

Tailored sports clothing is the minimum standard. Trousers and shorts should be of the type fitted for a belt. Shirts must have a collar attached. On the course, players must wear covered shoes and socks. Shoes worn in the clubhouse must be clean and free from outside mud and grass, etc.

*Please Note: The following styles of apparel are examples that do not comply with our dress standards – stubby or football shorts, beach pants and similar cord tie/elastic waisted pants, board shorts, track pants, singlets, football jerseys, t-shirts, tank tops, roll neck shirts, worn or faded jeans, thongs, sandals, shoes in a state of disrepair.*

### Ladies

Lady Members and visitors may wear shorts, trousers and skirts that comply with the standards set by the WGQ. (Short shorts and short skirts more than 150mm above the knee when kneeling and singlet tops do not comply with these standards and are not permitted on the Course or in the Clubhouse.)
