Gables Golf Club Corporate Partnership Proposals

Established in 1924, Gables is one of Queensland's premier championship golf

courses. Measuring 6254 metres from the Tiger Tees, Gables Golf Course plays to a Par of 73 with 4 par 5's and three par 3's. It tests all aspects of your golf game. As one of only 3 golf courses in Queensland to have hosted an Australian Open it is essentially a place to play for local, Interstate and International visiting golfers. With its central location at Wacol, halfway between the Brisbane and Ipswich CBD's, Gables Golf Club is a venue for 50,000+ golf rounds each year.

Gables is a destination location, open daylight until dark 364 day. In addition to visitors we have over 550 avid members who frequent the club on average over 30 times per annum. We envisage this Corporate Membership as an ideal opportunity for your business to capitalize on the exposure generated during each 4-5 hour period our captive audiences are present at the golf club. The course is highly visible from Ipswich Road and the nearby main Brisbane West train line, which gives even further exposure to your brand.

Our proposal offers a multitude of opportunities for your business to touch base with our diverse clientele.

As a Gables Corporate Member, you will receive the following added benefits:

- Recognition through exposure to a large number of avid golfers
- Your logo and name on all related advertising material, websites etc.

- As a Corporate Member, Gales will provide an ongoing discounted \$35 rate for green fees plus a shared cart for your staff and associated customers for the duration of the 2-year agreement once the specified rounds are exhausted in this period.
