### **CLUB MEMBERSHIP**

The enjoyment of golf depends a great deal on the co-operation, consideration and courtesy exhibited by fellow competitors. What is true of the game applies also to Club Membership. The spirit and image of Club Membership at Gailes Golf Club should be projected by the way all Members show respect, courtesy, and consideration for one another. This consideration should extend to the choice of dress and the standard of conduct both on the Course and in the Clubhouse. Since May 2016, Gailes Golf Club has pursued a policy of gender equality in its membership offering.

### **GENERAL INFORMATION AND RULES**

The following is provided so that Members of all classes may be aware of their privileges and responsibilities both on the Course and in the Clubhouse.

### **USE OF FACILITIES**

The Course is available for Members to exercise their respective playing rights throughout the year except when the Club is hosting Pennants or a major event with restricted entry. Course and Clubhouse usage may be restricted depending on the circumstances of the day. All players must report to the Pro Shop to confirm or ascertain their starting time before teeing off. Competition play is scheduled for Members and other play is as arranged by the Management Committee or Proshop (e.g., VW Scramble, Social Clubs, Corporate groups, etc.). The Clubhouse is open each day except for Christmas Day and Good Friday. As a licensed Club our Bar opening/closing times are in accordance with Qld. laws but may vary with demand.

## CARE OF COURSE AND CLUB PROPERTY

1. All players should take care in the use of shoes, clubs, bags, and buggies, and in handling of the flagstick that no damage is done to greens and holes.
2. To reduce wear and compaction on green edges, players may wheel buggies over the greens if they do not interfere with a fellow player's line of putt. Please do this with care – and not at all in soggy conditions.
3. All players must repair all divot holes they have made and fill (but not overfill) with the sand provided where necessary. This applies to fairway and tees and rough.
4. Players should carefully repair any pitch marks in the greens.
5. Players must not walk up the face of a bunker and should fill and smooth all holes and footprints made after playing their stroke or strokes from bunkers.
6. Members have invested much time and energy in planting and raising trees and shrubs. Please take care to protect and preserve all our trees, especially immature ones.
7. Motorized Carts must be driven both with regard for safety of players and with regard for the Course. Heed signs and line markings which direct cart traffic and keep them at least 10 metres from greens, tees, bunkers, and their banks at all times. Avoid severe braking or acceleration and fast or sharp turns which will damage turf. Avoid driving in wet areas and GUR.
8. Club towels must not be removed from the dressing room and should be used only for their intended purpose.

## PACE OF PLAY

Slow play is harmful to the Game of Golf and to players' enjoyment of it. An acceptable time for a group of four on our course is between four hours and four hours 15 minutes for 18 holes. In small fields and particularly in Stableford and Par competitions, a group can take substantially less time. Players are asked to adopt habits in both social and competitive play that do not waste those few minutes each hole and add up to a considerable amount of time over a round. (Please refer to the Etiquette of Golf). In competition play, the Match Committee is empowered to penalize undue delay. (See Conditions of Play).

## HEALTH AND SAFETY

The Club has a duty of care to provide our staff with a safe working environment. Accordingly, they have been given right of way on the course at all times.

Before hitting in the direction of staff or other golfers, please wait for them to acknowledge your presence so they can watch the flight of your ball. Do not approach the green when grounds staff have removed the flag. This is their signal to golfers to wait.

Members are advised that wildlife, including kangaroos, can be dangerous and that you should not approach, interact, or otherwise engage with any wildlife encountered on the property. Any injured wildlife should be reported to the Proshop who will in turn contact the local RSPCA. Gables Golf Club (including its officers, employees and agents) accept NO LIABILITY whatsoever for any injury, loss, harm or damage to person or property occasioned by wildlife. The Etiquette of Golf is, basically, a code of conduct concerned with care of the course, consideration for others and general safety. Observing the etiquette should avoid most hazardous situations. Members should report any safety issues to Club Management, e.g., broken water pipes, ground subsidence.

**NOTE: A DEFIBRILLATOR IS LOCATED IN THE CLUBS PROSHOP  
IN CASE OF EMERGENCIES.**

## LOSS OF PROPERTY OR INJURY

The Club will not accept responsibility for the loss of property or injury to the person of any Visitors, Member or their guests. Property stored in the Locker Rooms and Buggy Sheds is strictly at the players own risk.

## MEMBERS INSURANCE

All paid up financial Members of the Club are covered by an insurance policy while they are on any golf course in Australia and/or in the precincts of any golf course in Australia.

The cover provided is (on our latest information):

- Personal liability for third party injury or damage to property.  
(Limit for any one claim - \$10 million)
- Personal accident, death, or permanent disability (Limit - \$100,000 with a schedule for lesser injuries, excess applies).
- Loss or damage to golf equipment limited to \$5000 (\$1000 Excess applies).  
Please refer to the Club Office if you have any claim.

## PATH ACCESS TO “THE PARK – CENTRE FOR MENTAL HEALTH”

(WOLSTON PARK HOSPITAL COMPLEX) Members should be aware that there is public access to the hospital along a path from behind the 10th tee across the 18th, 9th, and 5th fairways. The path is defined in the rough, but not on the fairways. Access to areas outside our boundary fence near the 4th and 6th holes is restricted. You are advised not to go beyond the hospital security fences.

## DRESS REGULATIONS

The Management Committee expects that Members and all visitors wishing to use the facilities of the Club dress appropriately. It is the responsibility of the individual Member that their guests are dressed in accordance with the current rules. The Club Staff are authorized to refuse access and service to any person whose dress does not meet these standards. All persons must be neatly groomed and attired in clean clothing and footwear. On the course, players must wear covered/enclosed footwear and socks. Shoes worn in the clubhouse must be clean and free from outside mud and grass, etc.

**Note: The following styles of apparel are examples that DO NOT COMPLY with our dress standards;** stubby or football shorts, beach pants and similar cord tie/elastic waisted pants, board shorts, track pants, football jerseys, t-shirts, tank tops, worn or faded jeans, shoes in a state of disrepair.

## MEMBER'S GUESTS

A Member may introduce up to three playing visitors on any one occasion outside competitions. The Member must play with those guests, who will be charged a reduced Green Fee/Members Guest Fee. An individual may play as a Member's guest on no more than six occasions in a playing year. This applies whether the visitor is introduced six times by one member or six times by each of six different Members. Invitation Days are scheduled in the year's competition program for Members. On these specific days, the invited player will play with the introducing member for payment of the competition fee only. 5-day, 6-day Members and also, Limited 7-day Members who have exceeded their allocated Saturday games may play on Saturdays if time slots are available from the Thursday evening prior to that Saturday, on payment of the appropriate fee as set down by the Management Committee.

## RECIPROCAL CLUBS

Members wanting to visit a club with reciprocal rights are advised to obtain a letter of introduction from the General Manager before making the visit. As a matter of courtesy, Gales Members should contact the Reciprocal Club before the visit to introduce themselves, to arrange times if necessary, and to acquaint themselves with any limitations of the privileges being extended to them. In turn, Reciprocal Members of other clubs must follow the same procedure before arriving at Gales to play, or otherwise risk losing any Reciprocal Rights. A full list of Clubs with which we have agreements is at the end of this document.

## COMPLAINTS

Members must refrain from reprimanding staff. Any complaint regarding the staff must be directed to the General Manager or to a member of the Management Committee who may request that the complaint be lodged in writing. Please do not approach Members of the Management Committee with complaints while they are playing.

## CLUB PROFESSIONAL

Your Club Professional is an integral and important part of our club structure, and it is the duty of all Members to support him as much as possible.

## CONDITIONS OF PLAY

All play is governed by the Rules of Golf (Rule 3), the Local Rules and the Constitution of Gales Golf Club Inc. A player is responsible for knowing the Rules of Golf and the conditions of any competition. Recent changes to the Rules of Golf empower committees to penalize severe breaches of etiquette. The attention of Members is drawn to the Local Rules and other information printed on the scorecard. Temporary Local Rules are posted on the Notice Board and at other places deemed necessary by the Management Committee. The Match Committee reserves the right to amend playing rights, the fixture list, and conditions of play at any one time. In any game, the lowest marker in a group is deemed to be Captain of that group and is responsible for the group's observance of the Rules, Etiquette, and the pace of play.

**Note: Juniors are required to have at least one Senior member in their group when playing in a club competition, excluding Junior Club Championships.**

## COMPETITION FEES

Competition fees are payable before playing. Penalty: Disqualification.

## DISPUTES AND DECISIONS

The decisions of the Match Committee or of a referee where appointed, shall be final.

## PRACTICE

Rule 5.2 of the Rules of Golf applies to competition play. Players in match play events should check with the Starter to determine if, when and where practice on the course is possible. Members playing a practice round may have a maximum of two balls in play at any time, provided this does not inconvenience other players. Practice is from the white & red tees only. The practice grounds are the appropriate place for repetitive stroke practice. The Professional has priority on the practice grounds.

## STARTING TIMES

Members are requested to book all play in advance. For competition play, Saturday timesheets are available online or by phone for personal bookings each Thursday one week prior to the competition. Wednesday competition timesheets are similarly available one week in advance (Tuesdays). Friday "Dingo Hill Classic" Black Marker event timesheets are available one month in advance. Members will be given due notice of variations to these arrangements. Players should arrive at least 20 minutes before their scheduled starting time. They should be registered for the competition and be in the vicinity of the relevant tee ready to hit-off as directed by the Starter or any member of the Match Committee of the Day. The Rules of Golf impose penalties for failure to tee off at the stipulated time.

## HANDICAPS

Competitors in Club events must have a full GA handicap or Club Handicap, unless otherwise notified in the conditions of an event. In Mixed Honour Board events, the maximum handicap will be 36.

When a competition is conducted in divisions the following shall apply in three divisions:

**When a competition is conducted in divisions the following shall apply in three divisions:**

- **Division 1 - up to 12:      Division 2 - 13 to 19:      Division 3 - 20 to 36**

**When there are only two Divisions they will be divided:**

- **Division 1 - up to 17:      Division 2 - 18 to 36**

When a Club competition is conducted over more than one round, the player's handicap on commencing the first round of that competition applies to all rounds of that competition (Wednesday Classic - excepted). Your handicap is calculated according to the GA Handicapping System. Members are responsible for playing from their correct handicap and can check this on Golf Link in the Pro Shop or by following the links on our web site. Confirmation of your handicap at other clubs can be made via Golf Link where available. Visitor's handicaps can be checked in the Proshop.

The Management Committee is empowered to make changes to a member's handicap if circumstances warrant such a change.

## COMPETITIONS

Saturday competitions are, except where specified, for all Members with 7-day playing rights. The Match Committee may accept visitors with reciprocal rights and other persons to play if times are available. They shall not be eligible to win Monthly Medal or Honour Board events. Except where specified, all Wednesday, Sunday and Public Holiday events are Open unless specified.

## SCORECARDS

Scorecards should be accurately compiled including the player's correct handicap and signed by player and marker to avoid disqualification of the score. All scorecards, even if incomplete, must be scanned or returned to the box provided within 15 minutes of completion of the round. Competition scorecards and cards submitted for obtaining a handicap must be marked by a Member of a Golf Club.

## TIES AND HALVED MATCHES

1. Match Play – If a match is all square at the end of the stipulated round, it shall continue directly to the hole at which the match started and continue until one side wins a hole. If handicaps apply strokes shall continue to be taken and given as in the stipulated round.
2. All ties in stroke play shall be decided by the GA's Uniform Countback System except in certain Honour Board events. The method of deciding ties in these cases is listed in the special conditions for Honour Board events.

## UNDUE DELAY OF PLAY

A judgment that a player has unduly delayed play is often difficult to make and usually fiercely denied. We consider the following are some examples of undue delay of play, and may be subject to penalties under the Rules of Golf:

- Failing to call a waiting group to play through if a player has a ball lost or out of bounds and needs to return to the place from where he played that ball
- Repeatedly practicing putts on the green last played when the following group is ready to play
- Excepting in emergencies, all mobile phone conversations which delay any play
- Where a player or group has been advised by the Match Committee that particular playing habits are repeatedly causing slow rounds of golf for following groups, and he/they fail to correct these habits.

## MOTORIZED CARTS

Riding in motorized carts is permitted in all events unless specifically noted otherwise. Private and hire motorized carts are not to be driven any closer than 10 metres to the greens and not to cross the blue lines at the front of the greens and near bunkers. Breach of these rules will mean that your cart may be banned from the course.

## DANGEROUS WEATHER CONDITIONS

From time-to-time weather conditions in SE Qld e.g., severe thunderstorms can be such that it is necessary to cancel play until it is deemed safe to continue.

### Should these circumstances arise:

- One long blast from the Air Horn will be sounded,
  - this signifies stop play immediately,
  - mark your ball where it lies and
  - take shelter.

### If weather conditions improve and it is safe to recommence play:

- Two shorter blasts from the Air Horn will sound signifying play to recommence.

### If weather conditions do not improve and play cannot recommence:

- Three blasts from the Air Horn will be sounded,
- the days competition will be cancelled from that time,
- all uncompleted rounds resulting from this decision will qualify for a credit against their next competition fee.
- The days competition payout will be re-calculated based on the numbers that were able to finish their rounds before cancellation of the day's competition.

## HONOUR BOARD EVENTS

Special conditions applying to these events are noted in this section and are subject to alteration at the Match Committee's discretion. Except where noted, ties in events where a player's handicap applies are decided by the GA Uniform Countback System. Ties in scratch events will be decided by playoff. Unless otherwise varied by the Match Committee, failure to meet the dates of matches will result in a forfeit. Excepting for those events that are Open events, the trophies for Honour Board Events may be presented at an appropriate time during the ensuing year.

### **PIPE-OPENER – CLIVE BOYCE CUP Invitation Event** (Black / Red Markers).

Open 4BBB Stableford to be played Saturday January 15th, 2022. The traditional opener to our golf season honours the late Dr Clive Boyce, a champion golfer of the early and mid-20th Century, whose many playing achievements included back to back Queensland Amateur Titles and whose involvement with our Club began with advice on course design in the construction of the course. Dr Boyce's contribution to the development of our Club and Course over the next 30 years was immeasurable.

### **BOBBY LOCKE MEDAL CHAMPIONSHIP Club Members Only** (Black / Red Markers).

72 Holes Stroke Play

- Round 1 – Saturday 29th January 2022
- Round 2 – Saturday 5th February 2022
- Round 3 – Saturday 26th February 2022
- Round 4 – Saturday 12th March 2022

During our 75th Anniversary year, three prominent Members of the Gales Golf Club, Richard Holden, Bob Lette and Geoff Edwards, purchased at a Glasgow auction the original Gold Medal won by the late Bobby Locke of South Africa in the 1955 Australian Open held at Gales. As this is an important part of the Club's history, these three Members commissioned a replica medal, which is now prominently displayed in the Clubhouse. In 1998 the club decided it was appropriate to change the name of the existing Summer Medal Championship to the Bobby Locke Medal Championship.

The overall winner of the Bobby Locke Medal will be the player who returns the lowest gross score for the four rounds of the Championship and will be presented with a sterling silver replica of the original medal, suitably engraved. In the event of a tie for the Bobby Locke Medal Championship, an 18-hole play-off will take place on a date to be agreed. For the B and C divisions the count back system will apply.

Club trophies will be presented for the best gross and runner up gross in each grade. Trophies also for the best nett in each grade.

**2022 PENNANT TRIALS** – to be held on Saturdays in June 2022.

Selection in all pennant sides will be based on a combination of past performances, current form, handicap, and pennant trial results. Pennant trials will be played during the months of June and July at approximately 11 am on Sundays (subject to availability of the course). Players will be contacted and invited to attend. If a member does not receive an invite and consider their inclusion is warranted, then please contact the Captain.

Players are urged to attend as trials do have a bearing on selection.

Players selected to play for Gailes will be required to attend the post-match dinners unless prior arrangements have been made with the Captain. Dress requirements will be black or dark slacks or shorts with white socks. The Club will provide selected players with a Club shirt.
