Gailes Golf Club 2024/2025

Corporate Partnership Proposals

Established in 1924, Gailes is one of Queensland's premier championship golf courses. Measuring 6254 metres from the Tiger Tees, Gailes Golf Course plays to a Par of 73 with 4 par 5's and three par 3's. It tests all aspects of your golf game. As one of only 3 golf courses in Queensland to have hosted an Australian Open it is essentially a place to play for local, Interstate, and International visiting golfers. With its central location at Wacol, halfway between the Brisbane and Ipswich CBD's, Gailes Golf Club is a venue for 55,000+ golf rounds each year.

Gailes is a destination location, open daylight until dark 364 day. In addition to visitors we have over 900 avid members who frequent the club on average over 30 times per annum. We envisage this Corporate Membership as an ideal opportunity for your business to capitalize on the exposure generated during each 4–5-hour period our captive audiences are present at the golf club. As part of the main western gateway to Brisbane the course is highly visible from Ipswich Road and the nearby main Brisbane West train line, which gives even further exposure to your brand.

Our proposal offers a multitude of opportunities for your business to touch base with our diverse clientele.

As a Gailes Corporate Member, you will receive the following added benefits:

- Recognition through exposure to a large number of avid golfers
- Your logo and name on all related advertising material, websites etc.
- Advertising Banners to be erected on course if provided for applicable events where your company has a presence
- Your company logo and flyers if supplied, prominently displayed in the clubhouse area, on our website, Facebook pages and included in newsletter mailouts.
- **A specified number of golf rounds weekdays as available with shared carts to be used over a maximum 2-year period from date of joining**
- **You will be provided with the relevant number of vouchers to be used when bookings are made.**

- As a Corporate Member, Gailes will provide an ongoing discounted rate per person for green fees with a shared cart for your staff and associated customers for the duration of the 2-year agreement once the specified rounds are exhausted in this period.

As a Gailes Corporate Member, your investment will be:

- Provision of your initial company logo in hi-res digital formats for use on internal signage websites etc.
- Provision of any promotional material, flyers etc. for distribution at the club.
- Commitment to a minimum term i.e. all pre-purchased rounds must be used within 2 years from the start date.
- A one-off specified prepaid cash commitment depending on the level of membership required.
